Dear Ms. McCarthy,

Thank you for sending me the full IDI policy document. On a first reading, it appears helpful on several points. Can you tell me, what is your basis for the assertion that I am obligated by these policies? Is there a contract I have signed which goes to this question? If so, please send me a copy and I will re-evaluate my position.

Thanks,

Luigi

Mr. Warren,

You have continued obligations to abide by IDI policies as a condition of employment at IDI. As I indicated the letter, the policies benefit all inventors as well as IDI.
